

Martin Archer

Martin's style in healing is called Aura Rejuvenation. He utilizes energy and light with the aid of crystals. Martin stimulates the chakras, provides aura rejuvenation, and gives a boost to the immune system. No physical touching is involved and the process lasts approximately 20 minutes minimum. In the last few months he has added Aura Photos with the session. They also come with a full report and explanations.

Here is a Sampling of Client Comments on the Aura Experience with Martin

- *I found the energy work to be interesting.*
- *Immediately felt as if weight had been lifted and a rush of tingling vibrations throughout. Felt as if a Veil had been lifted from my eyes.*
- *Could feel the start of the process immediately, felt all my emotions and stress just melt away .*
..
- *When I started my Session with Martin, I had a headache and a pinch in my back. . . After the Session my headache subsided and my energy improved.*
