

Pam McMillen

Hi, I am Pam. I have been reading Tarot Cards for over 20 years. In the beginning I read mostly for friends and family but in the last 7 years I have been reading for clients at my home as well as in shops and across the country. I believe we all are intuitive and we discover our abilities in our own given time. All my life, messages came through me in my dreams but it wasn't until later in life that I fully understood them. Now I have learned to look to my dreams for guidance. For me and the Tarot Cards, it is strictly your "energy" that allows me to give you a clearer picture of what you may or may not be able to see going on in your life, where you are headed and the joys or obstacles you may face along the way.
